

An Evaluation Plan: Making it happen!

Organization/Program/Project: _____

INDICATORS What can we measure: (Observe, see, hear, count, understand, etc.)	WHAT stakeholders need to be involved? Think about the need for participation.	WHO will manage the evaluation, collect data? (Is external help needed?)	HOW will you analyze and report out on the findings?	WHEN - Think about the timeline. When do certain key steps need to happen?
